*(Intergalactic space keepers)*

Sferische soundscapes, dansbare rhythms en een injectie van positieve vibe. Couple Positive: "Move Stimulating Spirit Music", waarin de sound van de Electro N'goni (West-African harp) de Trumpet en Voices leiden, en de Handpan, Percussion, Beats & Loops ondersteunen.

A performance that sparkles and glitters!

# ***Couple Positive***

*(Intergalactic space keepers)*

Couple Positive from Amsterdam (Ania Brzezinska & Hassie Dune) invites the audience to join them on a positive musical journey.

With an original and uplifting repertoire, that beholds ambient tunes as well as groovy party songs, Couple Positive provides a space to feel happy and connected.

"Move Stimulating Spirit Music"  
in which the Trumpet and the Electro N'goni (West-African harp) lead, hilarious Vocal parts charm, and instruments like the Handpan, Percussion, Beats & Loops accompany and colour.

A performance that sparkles and glitters!  
Be There - Be Part
